

# Welcome to the cutting edge

**Thanks for your interest in Igenity! Great decision!**

**Here's how to set up your dashboard account**

Your Igenity dashboard account will let you see profile results online, custom sort your cattle, benchmark your herd in comparison to others, and make more confident decisions:

Our customer support department will set up your account.

Contact us at:

**877-IGENITY (877-443-6489)**

**[Igenity.support@neogen.com](mailto:Igenity.support@neogen.com)**

**We can help you:**

- Manage your dashboard account
- Answer questions about DNA sampling
- Create a new password
- Put you in touch with your territory manager
- Order DNA tests and profiles
- Order more sampling equipment
- Manage your Igenity® account
